Telephone Number 0191 228 8400

- 1. Teacher of Mathematics**
- 2. Development Leader for Mathematics**

Applications are welcomed from newly qualified teachers as well as experienced teachers who are interested in new challenges. Salary is negotiable. Starting date could be Easter or September.

We are also interested in applications from experienced teachers of mathematics who are interested in leading and managing the development of Mathematics as a Development Leader.

**Excelsior Academy opened in brand new purpose built accommodation in September 2008. Our building, resources and facilities are outstanding.**

**We want to increase our excellent staff team with additional mathematicians. If you are a successful and passionate teacher of Mathematics who is committed to inspiring and enthusing young people and to raising standards for pupils of all abilities, is excited by the possibility of working in an education environment that enables and encourages you to think creatively and the freedom to “think outside the box” you might be interested in a post at Excelsior Academy.**

With a capacity for 1,800 11-18 students, Excelsior Academy's organisation is based on a 'schools within a school' model, operating four 11- 16 and one 16+ Schools. Each of the four 11-16 schools has a high level of autonomy with its own School Principal and provides education for 375pupils. The fifth school is Excelsior College which provides a wide range of academic and vocational courses for three hundred 16+ students. Each of the four 11 -16 schools has a curriculum development and delivery structure and a pupil welfare and support structure with dedicated staff for pupil behaviour management and attendance.

The Academy's unique structure, organisation and model for curriculum delivery offers unique and exciting leadership and management posts that focus on leading the development of teaching and learning. **We are looking for a well qualified teachers of Mathematics and welcome applications from newly qualified teachers as well as experienced teachers and teachers who are interested in taking on responsibility as Development Leaders.**

Salary is negotiable depending on experience and expertise.

Further details about the Academy and this post can be found on the Academy website at [www.excelsiornewcastle.org.uk](http://www.excelsiornewcastle.org.uk) or by contacting Mrs E Crawford PA to the Executive Principal, on the above telephone number or email [elizabeth.crawford@excelsioracademy.org.uk](mailto:elizabeth.crawford@excelsioracademy.org.uk)

All applications will be considered as they are submitted.
